

DON'T FORGET ABOUT OUR PASS PARTNERSHIP WITH THE PUBLIC LIBRARY AND EDUCATOR CARDS TOO!

If you are a student or teacher currently attending a Marietta City Schools or a Cobb County Public School, you already have a Library PASS (Public Library Access for Student Success) account. That means you have access to all of our awesome resources at the public library, including 93 online databases, 18,659 eBooks, 7,270 eAudiobooks, and 430 streaming videos as well as 604,908 physical items in our collection.

Media Menu:
What can the learning commons offer you?

Why is our library so loud?

Appetizing Lessons: Start your year right

- Orientation for the learning commons
- Destiny introduction
- Check out procedures
- Cobb Digital Library (CDL) introduction
- Introduction to PASS resources available through public library
- Beanstack introduction
- Book talks to engage your readers right away!

Entrees: Taking a bite out of the Curriculum

- Bee bot lessons with any topic (math, vocabulary, sight words, etc.)
- Research skills and overview
- Database overview in CDL
- Reading texts that work to support the standards (retelling, comparing and contrasting, identifying the main idea)
- Debates/public speaking preparation
- Green screen projects
- STEM activities and support
- Scavenger hunts (QR codes with American Revolution review, sight word searches)
- Breakout Edus to review any topic or work on team building skills

Sweet Treats: Help support a love of reading

- Grade level/class book clubs
- Book reviews for the news
- Book tastings
- Book Emoji/Speed dating
- Book talks/walking the shelves with classes

Makerspace possibilities and items available:

- Spheros
- Ozobots
- Recycled materials
- Snap circuits
- 3D pens

Let me know how I can help support your students and your standards!
